A Message from the CEO!

Our journey at Nawasi Al-Joud General Contracting Company is guided by a steadfast commitment to pioneering excellence across the construction and industrial sectors. As a leading provider of contracting, manpower, and equipment solutions, our mission is to deliver unparalleled value and innovation to our clients.

We understand that every project is unique, and our approach is to forge lasting partnerships built on a foundation of trust and mutual respect. Our dedicated team of professionals embodies our core values of integrity, safety, and client focus, ensuring that we consistently exceed expectations.

We take immense pride in our capacity to adapt and scale our operations to meet the dynamic needs of any project, regardless of its complexity. Looking forward, our focus remains on leveraging sustainable practices and cutting-edge technologies to drive continuous improvement. We are passionate about the opportunities that lie ahead and are unwavering in our resolve to maintain the highest standards of service.

Thank you for choosing Fatima Mohammed Al-Ajmi Contracting Company. We are committed to being your partner in success.

ABOUT US

Nawasi Al-Joud General Contracting Company is a premier Saudi entity specializing in an integrated suite of contracting, manpower, and industrial support services. We serve a diverse range of industries, including oil and gas, petrochemicals, construction, and general contracting, providing comprehensive solutions tailored to each sector's unique demands.

Our core philosophy is to go beyond conventional service delivery by truly understanding our clients' objectives. We are dedicated to ensuring that every project meets the highest benchmarks for safety, quality, timely execution, and cost-effectiveness. This client-centric approach fuels our ability to innovate and transform ambitious visions into tangible realities.

In an ever-evolving market, we embrace continuous improvement, constantly refining our processes and adopting new technologies. Our forward-thinking mindset allows us to confidently pursue future opportunities while remaining steadfast in our commitment to excellence in all aspects of our business.

OUR VISION, MISSION, AND CORE VALUES

Vision

To be the most trusted and sought-after partner for contracting and industrial services in the region, recognized for our unwavering dedication to quality, safety, and innovation.

Mission

To provide exceptional, value-driven solutions that empower our clients to achieve their project goals safely, efficiently, and with optimal results.

Values

Integrity: We operate with honesty and transparency in all our dealings.

Client Focus: The client's success is our primary measure of success.

Safety First: We prioritize the well-being of our people and project sites above all else.

Excellence: We are committed to achieving the highest standards of quality in every task.

Collaboration: We believe in the power of teamwork and strong partnerships.

Responsibility: We take full ownership of our commitments and results.

OUR SERVICES

Nawasi Al-Joud General Contracting Company, our integrated service model is designed to support the full life cycle of your projects. We provide comprehensive solutions that are not only efficient but also tailored to meet the specific demands of each industry. Our core offerings include:

Contracting & Construction Management : Delivering end-to-end project execution from planning to completion.

Specialized Manpower Solutions : Supplying skilled professionals across various technical and operational fields.

Heavy Equipment & Machinery Rental : Providing access to a modern and well-maintained fleet for all project needs.

Industrial Support Services : Offering specialized services to optimize and maintain industrial operations.

AREAS OF EXPERTISE

Our extensive experience allows us to provide expert support in a wide range of fields, ensuring project success through deep industry knowledge and practical application.

Civil & Industrial Construction : From foundational work to complex structural builds.

Technical Manpower & Engineering : Supplying engineers, technicians, and specialized labor for mechanical, civil, and electrical projects.

Heavy Machinery Operation : Providing certified operators and drivers for a variety of heavy equipment.

Oil & Gas Field Services : Supplying skilled teams for exploration, drilling, and production support.

Scaffolding & Access Solutions : Designing, installing, and maintaining safe and reliable scaffolding systems.

Facility Maintenance & Support : Offering comprehensive solutions for janitorial, cleaning, and general building maintenance.

Manufacturing & IT Support : Supplying qualified personnel to optimize production lines and manage IT infrastructure.

CONTRACTING SOLUTIONS

Our contracting services are built on a foundation of proactive management and meticulous execution. Our expert team becomes an extension of your project, providing critical insights during the early planning stages to optimize schedules and budgets. On-site supervision guarantees that all work adheres to the highest standards of quality, safety, and efficiency.

We specialize in complex projects, from industrial infrastructure and pipelines to large-scale residential and commercial developments. Our portfolio includes diverse projects such as petrochemical plants, luxury resorts, hospitals, and warehouses. We also offer specialized services like industrial coating, corrosion control, and drilling support for the oil and gas sector.

MANPOWER SOLUTIONS

With a workforce of over 500 skilled professionals, we are the trusted partner for all your staffing needs. Our robust talent acquisition process ensures we provide the right personnel to drive your projects forward. We supply highly capable teams and individuals for a wide array of roles, including:

Engineering & Technical Staff : Structural engineers, civil engineers, and instrumentation technicians.

Oil & Gas Personnel : From drilling and exploration teams to production and maintenance experts.

Heavy Equipment Operators : Certified and experienced operators for cranes, loaders, bulldozers, and more.

Specialized Labor : Skilled workers for scaffolding, janitorial, and manufacturing tasks.

IT Professionals : Experts in network management, software development, and data security.

EQUIPMENT RENTAL SERVICES

Our extensive fleet of modern, meticulously maintained equipment is ready to support your project, no matter the scale. We offer a reliable solution to meet all your heavy machinery needs without the burden of ownership and maintenance. Our inventory includes :

Lifting & Access Equipment : Cranes, boom lifts, and scissor lifts.

Earthmoving Machinery : Excavators, loaders, bulldozers, and graders.

Transportation & Hauling : Dump trucks and material handling equipment.

Power & Temporary Structures : Generators and portable structures.

All equipment is available with the option of a certified operator, ensuring safe and efficient performance on your job site. We also provide dedicated technical support to guarantee optimal functionality and minimal downtime.

INDUSTRIES WE SERVE

Our expertise is leveraged across a diverse portfolio of industries, where our tailored solutions contribute to the successful execution of complex projects. We are proud to be a trusted partner in:

Construction & Civil Engineering

From large-scale infrastructure to residential and commercial developments.

Petrochemical

Supplying specialized services and manpower for plant construction and ongoing operations.

Logistics & Transportation

Offering equipment and staffing to streamline supply chain and logistics activities.

Facilities Management

Delivering comprehensive support for the maintenance and operation of commercial and industrial facilities.

OUR **COMMITMENT**

At Nawasi Al-Joud General Contracting Company, our unwavering commitment is to your success. We prioritize innovation, safety, and operational excellence in every project we undertake. Our dedicated team works tirelessly to provide bespoke solutions that meet the unique demands of your industry.

We stand by our promise to deliver exceptional results, leveraging our deep industry knowledge and technical expertise. Through a collaborative and client-focused approach, we ensure that every project is executed with precision and care, exceeding expectations and building long-term value. Your trust is our greatest asset, and we are dedicated to earning it through outstanding performance and reliable service.
